Referee Report on Applicant for the Future Health Leaders Program

The Future Health Leaders program is a Professional Doctor in Public Health (DrPH) offered by the School of Public Health and Community Medicine, UNSW Australia.

Referee reports will assist us to select candidates who are most suited for this program. In your report, please comment on the following:

1. The potential of the applicant to develop high level skills in:
 - **health leadership**
 - **critical thinking and analysis**
 - **independent applied research** within their professional setting.
2. The abilities of the applicant to meet the program requirements of being:
 - **highly motivated**
 - **demonstrating a high degree of intellectual independence, responsibility and accountability**
 - **possessing excellent written and oral communication skills**

Please also indicate how long have you known the candidate and in what capacity are you providing this report (e.g employer, academic supervisor etc). Please provide any further comments on any other areas that may be of relevance.

All referee reports will be held in confidence, and may be followed up with a phone call. As referee reports are required to process the candidate's application, please send the report to the candidate at your earliest convenience. Please inform the candidate if you are unable to provide a report or if there is likely to be a delay.
