The gloves are off! Senior academics are going head-to-head in a battle of the mega-minds. Just how far will they go to win an argument?

**THE GREAT DEBATE**
September 4, 2014, 2:00 – 3:00pm, Gallery One

Watch them take on the topic:
Planning for emerging epidemics is a waste of time

**Be there!**

**In the Affirmative Corner:**

**Professor Mary-Louise McLaws,** Professor of Epidemiology in Healthcare Infection and Infectious Diseases Control, School of Public Health and Community Medicine, UNSW Australia

**Dr Bridget Haire** is a lecturer in public health and medical ethics at the UNSW Australia, and Vice President of Australian Federation of AIDS Organisations (AFAO)

**Professor George Rubin,** Director, Clinical Governance, Professor of Public Health, South Eastern Sydney Local Health District, NSW Health Department

**In the Negative Corner:**

**Professor Heather Worth,** Chair, UNSW Human Research Ethics Committee, Director, GlobalHealth@ UNSW, Director, International HIV Research Group, UNSW Australia

**Professor Andrew Grulich** is a medical epidemiologist and a public health physician, Head, HIV Epidemiology and Prevention Program, The Kirby Institute, UNSW Australia
